COMMONWEALTH OF PENNSYLVANIA

: ss.

COUNTY OF SCHUYLKILL

:

Eugene Berdanier, being duly sworn according to law, deposes and says that:

1. He is the current appointed and acting Deputy Warden of Schuylkill County Prison.

2. He has been employed by the Schuylkill County Prison since September 2, 1986, and was promoted to supervisor on May 27, 1996, Deputy Warden on April 4, 1997, and acting Warden as of April 1, 1999, and Deputy Warden upon the appointment of the current Warden, Gerald Britton, as of July 25, 1999.

3. His duties as Deputy Warden involve maintaining prison records, computing sentences, coordinating hearings with district justices and the Court and working under the supervision of the Warden.

4. He is familiar with the plaintiff, Anthony M. Kline, who has been incarcerated in the Schuylkill County Prison on numerous occasions, most recently following his sentence on June 8, 1998, imposed by the Honorable John Domalakes following conviction for corruption of minors and indecent assault.

5. The Schuylkill County Prison does maintain grievance procedures and grievance process may be initiated by the submission of a writing in any form, including "Inmate's Request to Staff Member" or on any other form. Plaintiff's Complaint alleges that he was not provided a grievance form. The prison file of Anthony M. Kline reveals numerous submissions of inmate's request for staff, which are attached hereto as Exhibit "A".

6. A review of plaintiff's prison file reveals no submitted grievance or any notification whatever concerning the prison conditions or any of the allegations as averred in the Complaint. A true and correct copy of Plaintiff's Prison File is attached hereto as Exhibit "B".

7. Plaintiff's prison file reveals a single conduct complaint for an offense which occurred on July 22, 2000, involving the possession of contraband in the prison. Plaintiff was found guilty of his own admission and returned to the general population. A true and correct copy of the conduct report and hearing summary is attached hereto as Exhibit "C". Plaintiff's prison file reveals no other disciplinary record.

8. Plaintiff alleges that he was incarcerated in E-Block, which he refers to as the prison disciplinary unit. Plaintiff's prison file reveals that he was placed in protective custody in E-Block at his own request. True and correct copy of documentation confirming plaintiff's request for protective custody are attached hereto and marked Exhibit "D".

9. Plaintiff alleges he needed eye glasses, which the medical department did give him glasses. Plaintiff's medical file reveals that on January 9, 1999, new glasses

were given to inmate. Neither the medical nor prison file reveal any complaint relative to his glasses or that the prescription was wrong. A true and correct copy of plaintiff's inmate's request to staff member and issuance of glasses is attached hereto as Exhibit "E".

10. Gerald Britton, named as a defendant herein, is the current Warden of Schuylkill County Prison having assumed duties upon his appointment on July 25, 1999. Accordingly, Warden Britton would have no knowledge and no involvement in the Schuylkill County Prison prior to July 25, 1999.

11. David Kurtz, identified as a defendant herein, is the former Warden of Schuylkill County Prison, having served in that capacity until his resignation on April 9, 1999. Accordingly, former Warden Kurtz had no involvement or responsibility at the prison subsequent to April 9, 1999.

12. To the extent plaintiff's Complaint alleges that he was "forced" to sleep on a mattress on the floor, plaintiff affirmatively chose a mattress and rejected a cot provided by the prison. A true and correct copy of plaintiff's election is attached hereto as Exhibit "F".

re: Charles Carl & Anthony Kline

Dear Deputy Warden Berdenier,

As a follow up to our previous conversation on the above-mentioned inmates, I have met with both today. Mr. Kline was interviewed and given an assignment prior to acceptance back into the program. He accepted this and I agreed to return to talk and review it with him after the holidays. He was generally cooperative, but I would like to delay setting him up for release to the treatment group until I see some more willingness to work. He has been in group with me a number of times and he has a tendency not to follow through. Before we risk release, I would like him to demonstrate some effort which has always been his problem.

Mr. Carl was also interviewed for the same purpose. Unfortunately, he was not as cooperative. He became rather agitated with our discussion. Although he stated that he would be willing to "do anything," he refused to even take, let alone do, a reading and assignment I planned for him. The degree of cooperation and agitation suggests that problems could develop at this time. Currently, I do not see him as a good candidate for release of this nature and his willingness to participate productively in treatment continues to be seen as poor. I would be willing to re-interview him at a later date. Perhaps at a later time he may be more cooperative.

Thank you for you time. I will keep you advised. If you have any questions please feel free to contact me.

Sincerely yours,

Joseph Sheris, M.A., NCC, CCMHC

**RE: Anthony Kline**

Dear Warden Kurtz:

As you are aware Mr. Anthony Kline is housed in the Schuylkill County Prison and he has been ordered to be released from the Prison to attend sex offenders treatment at our program. Unfortunately, Mr. Kline's participation and productive use of the group has been limited.

A review of each members progress is conducted on a regular basis and I can find little improvement to note. The same concerns exist as in the last review. His prior episodes with us demonstrated a similar pattern. When we agree to allow Mr. Kline to return to the program, it was stipulated that he must participate and work within the group. He has failed to live up to his part of the bargain. Continuing him in the group does not appear to be producing much in terms of reducing his risk as result of this lack of commitment. His use of the program appears to be to attempt to show Parole that he is in treatment, but, in fact, he is not participating. Therefore, we are discharging him effective the date of this letter. He should not be released to attend.

A copy of this letter will serve to inform the Court and attorney of the decision. Thank you for your time and cooperation on this matter.

Sincerely yours,

Re: Status of ANTHONY M. KLINE, Inmate  
Date: June 30, 1998

Your Honor:

The above captioned, Anthony M. Kline, being sentenced by your court on April 29, 1998 to a term of eleven and one-half (11½) months to sixty (60) months minus one (1) day and extended the privilege of Immediate Work Release has been placed into protective custody, by his own request.

I have informed Resident Kline, in writing, that he may not participate in the Work Release Program while under his current status and must voluntarily remove himself from protective custody and spend at least one (1) week in a general population block in order to demonstrate that he can peacefully live with other residents. Although, Work Release is a trustee block, non the less it is still a sentenced population block and receives less direct supervision.

Since being informed, Resident Kline has removed himself from protective custody and was placed into both C and F Blocks, only to request protective custody again. Through his actions, Resident Kline has failed to demonstrate to me that he is able to live in good faith with other residents at the Schuylkill County Prison. I strongly feel that placing him onto a block which is not under constant direct supervision may be inherently dangerous to his well being.

Therefore, I am requesting that his order granting him Immediate Work Release be stricken from his court order. Although, if Resident Kline later qualifies for the Work Release Program, he will be taken into consideration, based on staff evaluations, his behavior, and space availability within the Work Release Quarters. If you should have any further questions regarding this matter please contact me at extension 1452. I thank you for your time and consideration in this matter.

Respectfully Submitted,

  - c. notifying the parole supervision staff within 72 hours of any change in status, including, but not limited to, employment, on-the-job training, and education.
4. Comply with all municipal, county, state and Federal criminal laws, as well as the provisions of the Vehicle Code (75 Pa. C.S. § 101 et seq.), and the Liquor Code (47 P.S. § 1-101 et seq.)
5. You shall:

  - c. refrain from any assaultive behavior.
6. You shall pay fines, costs, and restitution imposed on you by the sentencing court. Thereafter, you shall:
  - a. pay these obligations according to the established payment schedule or as ordered by the court;
  - b. provide proof of such payment to parole supervision staff; and
  - c. keep the parole supervision staff and the court informed of any changes in your financial ability to pay fines, costs and restitution.
7. You shall comply with the special conditions listed on page 2 imposed by the Board and with special conditions imposed by the parole supervision staff.

If you are convicted of a crime committed while on parole/reparole, the Board has the authority, after an appropriate hearing, to recommit you to serve the balance of the sentence or sentences which you were serving when paroled/reparoled, with no credit for time at liberty on parole.

If you think that any of your rights have been violated as a result of your parole supervision, you may submit a timely complaint in writing, first to the district director of the district office through which you are being supervised. If your complaint is not resolved to your satisfaction, you may then submit your complaint in writing to the Pennsylvania Board of Probation and Parole, Director of Supervision, P.O. Box 1661, Harrisburg, Pennsylvania 17105-1661.

In consideration of being granted the privilege of parole/reparole by the Pennsylvania Board of Probation and Parole, I hereby agree that:

If I am ever charged with a parole violation arising out of my conduct while in a jurisdiction other than the Commonwealth of Pennsylvania, the revocation of my parole for that violation may be based solely on documentary evidence and I hereby waive any right to confront or cross-examine any person who prepared any such documentary evidence or who supplied information used in its preparation;

I expressly consent to the search of my person, property and residence, without a warrant by agents of the Pennsylvania Board of Probation and Parole. Any items, in the possession of which constitutes a violation of parole/reparole shall be subject to seizure, and may be used as evidence in the parole revocation process.

From: Matthew W. Morgan, Work Release Administrator  
Re: Status of ANTHONY M. KLINE, Inmate  
Date: June 30, 1998

Your Honor:

The above captioned, Anthony M. Kline, being sentenced by your court on April 29, 1998 to a term of eleven and one-half (11½) months to sixty (60) months minus one (1) day and extended the privilege of Immediate Work Release has been placed into protective custody, by his own request.

I have informed Resident Kline, in writing, that he may not participate in the Work Release Program while under his current status and must voluntarily remove himself from protective custody and spend at least one (1) week in a general population block in order to demonstrate that he can peacefully live with other residents. Although, Work Release is a trustee block, non the less it is still a sentenced population block and receives less direct supervision.

Since being informed, Resident Kline has removed himself from protective custody and was placed into both C and F Blocks, only to request protective custody again. Through his actions, Resident Kline has failed to demonstrate to me that he is able to live in good faith with other residents at the Schuylkill County Prison. I strongly feel that placing him onto a block which is not under constant direct supervision may be inherently dangerous to his well being.

Therefore, I am requesting that his order granting him Immediate Work Release be stricken from his court order. Although, if Resident Kline later qualifies for the Work Release Program, he will be taken into consideration, based on staff evaluations, his behavior, and space availability within the Work Release Quarters. If you should have any further questions regarding this matter please contact me at extension 1452. I thank you for your time and consideration in this matter.

Respectfully Submitted,

  
Matthew W. Morgan, Work Release
